Dear Sir:

INVENTORSHIP

It is respectfully pointed out that "Roger Edwards" is not the correct name of the (sole) inventor, and the Examiner is requested to ensure that any patent issues in the correct name of the inventor, and correct any PTO records regarding this. See papers of record earlier filed in this case, to which the PTO has not yet apparently responded, indicating the inventor's correct name. These papers were filed August 2, 2002.

ORGANIZATION OF SPECIFICATION

The present specification apparently has no sub-heads such as Field of the Invention, Related Art, etc. If the Examiner wishes these to be provided, please notify the undersigned who will amend the specification to insert same.
